

UEC Photo Club Annual Photo Competition

The Urban Ecology Center Photo Club (UECPC) holds a photo competition once a year in the month of October. This is a friendly competition among club members in which we have an outside judge or two evaluate our photographs. Ribbons are awarded for 1st, 2nd and 3rd place finishes, along with Best of Show. This is a great opportunity to show off your best work, and receive impartial feedback on that work. Rules for the competition are as follows:

Categories:

People – a formal or candid photograph with humans as the main subject.

Open – anything goes.

Nature – an image of any branch of natural history. If present, human elements should not be intrusive.

Still Life – an image of a static arrangement of objects.

Guidelines for Submissions:

1. Prints only are accepted.

Maximum print size is 8"x12". Prints may be mounted but must not be matted or framed. No identifying marks on the front of the image.

2. Each member may submit one (1) print in each of two (2) categories.

3. Prints must have title and photographer's name on the back.
